Fully Supportive

Q1. Which of the following best expresses your view of the proposal of giving children equal protection from assault by prohibiting all physical punishment of children?

**Please explain the reasons for your response**

My son was regularly restrained without due reason as he was in no danger. This occurred over a number of years at his school in Perth and Kinross council. One incident left him with sore arms in which I took him to the doctor to be looked at . In addition he is totally phobic of school now and terrified of anyone holding him or restraining him. He has been so traumatised by this physical intervention

Q2. Could the aims of the proposal be better delivered in another way (without a Bill in the Scottish Parliament)?

No

**Please explain the reasons for your response**

Schools do not listen to guidance this needs to be put into statute law. There is too much interpretation which can be subjective otherwise
